Products & Services

- *Non—Destructive Testing Equipment and Supplies*
- *Training Programs and Consulting Services*
- *General Supply items for the Oilfield Service Industry*

Tech Service Products is an industrial and oilfield supply company, which began in 1973. Over the years we have established an excellent reputation in the non-destructive testing industry by stocking equipment and supplies from major NDT manufacturers.

Along with providing NDT equipment, TSP is a stocking distributor for supply items used by industry.

From our locations in Lafayette, Oklahoma City, and New Orleans, TSP is able to quickly deliver products to domestic and international markets.

Vacuum Boxes
Wire Brushes

Training Programs and Consultant Services

Tech Service Products consultants have over 28 years experience in the supervision and training of nondestructive testing personnel. We have directed the development of many Standard Operating Procedures, Personnel Qualification and Certification Programs, as well as Quality Assurance Programs.

Personnel Training services may be scheduled at your location or another convenient location. All Personnel Training Programs may be customized to meet your company's specific application and requirements.

If you would like to learn more about our training services, please email (brockjr@tspndt.com) us for more information, or call us toll free between 9:00a.m. and 5:00 p.m. CST at 800-245-9369.

TSP Provides Nondestructive Testing Personnel Training and Certification Programs for the following:

- Ultrasonic Testing (UT)
- Magnetic Particle Testing (MT)
- Visual Testing (VT)
- Penetrant Testing (PT)
- Automated Electro-Magnetic Inspection Units
- Nondestructive Testing Equipment and Installation
- Customization, Design, and Implementation of A.P.I. Quality Programs
- Quality Program Auditing

Instructor: Randy Minton

Mr. Minton has 28 years of experience in nondestructive testing. Mr. Minton has been with TSP since 1989.

As a Level III consultant, Mr. Minton has developed and implemented company specific standard operating procedures , conducted personnel qualification & certification programs, and developed quality programs.

Prior to working with TSP, Mr. Minton was the Senior Inspection Division Supervisor for Intracoastal Tubular Services. He developed and conducted in-house training programs for ultrasonic, magnetic particle, electro-magnetic, visual, and dimensional inspections.

**Abrasives**

Utility Roll cloth, flap wheels of various styles, 3" x 1/16" and 1/8" hard and soft wheels, 6 3/4" and 8" refacing paper, various grinding discs, and other psa discs.

**Black Light**

Ultraviolet or black light equipment is provided by Spectronics. A full line of lights, meters, filters, and replacement bulbs are normal stock items.

**Brushes**

TSP provides 10" cleaning machine brushes, wire wheels, end brushes, and cup brushes. Various wire sizes and styles are available. Also pictured is a grooved urethane cleaning machine wheel.

**I.D. and Flue Brushes**

TSP stocks a full line of DS/DS and DS/SS I.D. Brushes in nylon and steel. Sizes range from 3/4" - 20 1/4".

Dye Penetrant—Sherwin

Bulk or Aerosol Products include D-100, D-106, D-350, DP-40, DP-51, DR-60, DR-62, KO-17, KO-10, HM-406A

Dye Penetrant—Magnaflux

Mag Particle—20B, 14A,
Dye Penetrant—WCP-2, SKD-S2, SKL-SP, SKL-WP, SKC-S, ZL-60D

Flaw Detectors & Ultrasonic Thickness Instruments

Sonatest Sitescan 230
Stresstel T-Mike E

Hardness Testers

Test Blocks, Tellebrineller, Timetrade USA TH 130

Lubricants

TSP Dry Moly, TSP Chain and Cable, WD-40, Nuts-Off, and other aerosol products

Magnetic Particle

A/C Yokes, Coils, Permanent Magnets, Gauss Meters, Powder Bulbs, Burma Castrol Strips, Shooting Boxes

Magnetic Powders

Magnetic Powders from Circle Chemical. Bulk pails or small containers are available. Products include 63, 66A, 778, 800, 800A, 810, 820, 820A, 850, 850A. Gray Powders is also available in bulk pails (#M-80)

Marking Products—Diagraph

Stencil Ink, Stencil Pads, Rollers, GPX Valve Action Markers in all colors, Stencil Board in a number of sizes.

Measuring Instruments

O.D. and I.D. Calipers, Deep Throat Micrometers, Digital Calipers, Micrometer Sets, Pit Gauges, Profile Gauges

Measuring Standards

Curtis Industries test blocks traceable to NIST.
IIW Type 1 Blocks, IIW Type 2 Blocks 4-Step Blocks, 5-Step Blocks

Miscellaneous Brushes

Scrub Brushes, #275 Dope Brushes, #200 Dope Brushes, #100 Dope Brushes, Paint Brushes 1" - 4"

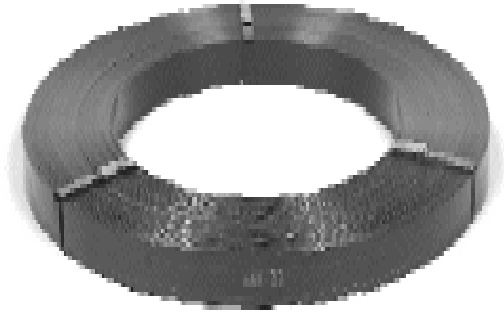

Safety Products

Face Shields, Safety Glasses, Ear Plugs, Dust Masks, Black Dot Gloves, Green Nitrile Gloves, Black Rubber Gloves

Steel Strapping

Ribbon wound banding material in
1 1/4" x .031" and 3/4" x .031 sizes.
Clips and tensioners are also carried in stock.

Yokes and Coils

Electrospect Underwater Nautilus Probe, MF-10 AC/DC, Model ESX. Also pic-
tured is a 10 1/2" Coil

Notes:

TSP Alliance Program

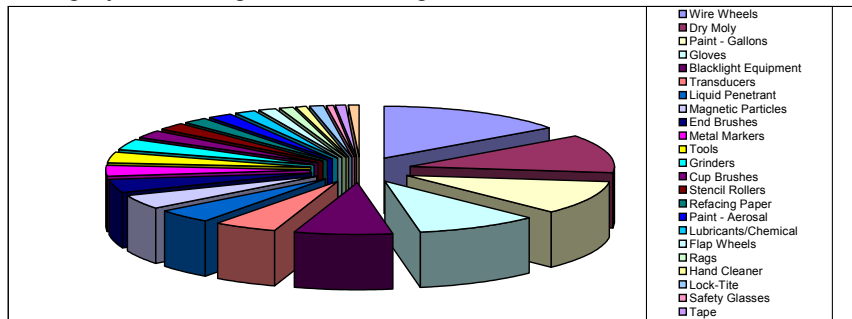

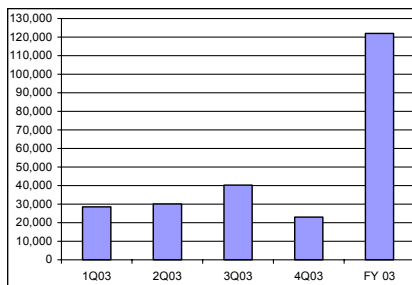

The TSP Alliance Program is designed for companies with multiple locations or companies that would like to implement a supply chain management program. **Benefits include:**

- * Alliance pricing based on program variables
- * Reduces the number of vendors
- * Reduces the number of purchase orders and checks issued
- * Reduces the incidence of vendor stock outs
- * The customer may shift administration to higher dollar contract vendors
- * Electronic delivery of invoices and payment
- * Regular usage reporting accompanied by a relationship review
